COST FACTORS

- Depending on which health and dental plan you elect and which eligible dependent(s) you elect to cover, you may or may not have a monthly deduction from your monthly pension.
- Where you decide to live is another factor to consider. There are some plans that are only available to residents of California. When you move out of California your options for healthcare and dental care are limited to a PPO. (PPO can be used nationwide anywhere in the USA)

- If you're willing to pay a higher fee, be clear about the anticipated value – and be wary about promises of investment returns.
- Please note that the City of Los Angeles DCP only has approved relationships with Voya Financial and Charles Schwab*. Any contract you choose to enter in to with a third-party falls outside of those established relationships.

**Charles Schwab is the service provider for the Schwab Personal Choice Retirement Account (PCRA)*
