To All DWP Retirement Plan Members:

The Summary Annual Report as of June 30, 2016 is submitted in conformity with Section III C (4) of the Retirement Plan provisions. A complete financial report, audited by Simpson & Simpson, CPAs, is posted on the Retirement Plan Office website at retirement.ladwp.com.

The financial markets for fiscal year 2015-16 grew at a slower pace compared to the previous fiscal year. The investment returns were 1.01% for the Retirement Fund and 0.87% for the Retiree Health Benefits Fund. Market values were \$10.10 billion and \$1.69 billion for the Retirement Fund, and Retiree Health Benefits Fund, respectively.

Pension plan assets are professionally managed and invested in well-diversified asset classes to manage risk while seeking to achieve long-term investment goals.

The Department's contribution to the Retirement Plan will increase to 45.25% of payroll from the previous rate of 42.77% in accordance with the annual Actuarial Valuation, as of July 1, 2016, reflecting a two year phase-in impact of the new actuarial assumptions.

The Retirement Board and Staff remain committed to their mission of providing responsive and efficient service through responsible administration of the Plan and prudent management of its assets.
