RETIREMENT PLAN UPDATES

The Retirement Plan Office (RPO) continually strives to improve the various resources and services provided to our members. Below are highlights of some recent publication updates, enhancements to the Retirement Information System, and changes to the scheduling structure of the Early/Mid-Career seminar.

Publications

The following publications are now available on the RPO website at <http://retirement.ladwp.com> or in our office:

- ❖ Summary Plan Description
 - Tier 1 (revised)
 - Tier 2 (new)
- ❖ How to Calculate your Retirement Allowance and Other Information Including the Procedure for How to Retire
 - Tier 1 (revised)
 - Tier 2 (new)

Retirement Information System (RIS)

RIS has been updated with new features:

- Get a break down of your retirement deduction
- Estimate how much you will get on your Additional Annuity (now available for Tier 2)
- Print an unofficial copy of up to date information specific to your retirement account

Retirement Seminars

Beginning April 2017, the Early/Mid-Career Seminar will be designated specifically to Tier 1 or Tier 2 members on alternating months. If you are interested in attending one of our retirement seminars, please contact your Division Training Coordinator to enroll.
