News from the Board of Administration

Election of New Board Members

In January 2009, the Retirement Board adopted election guidelines in preparation for the election of the three active employee members of the Retirement Board whose terms will expire on May 1, 2009. The Board of Water and Power Commissioners reviewed and approved those guidelines at their February 3, 2009, meeting.

Update Tax Withholdings

Each January, federal tax tables are updated and this may have affected the amount of your tax deductions. We therefore encourage you to update your tax withholdings. Retirees moving out of state should also update their tax withholdings to prevent unnecessary California State Income Tax withholdings. Contact the Retirement Office at 213-367-1715 for any changes.

Direct Deposit

Signing up for direct deposit is a safe and convenient way to ensure timely receipt of your retirement allowance each month. There are many benefits to signing up for direct deposit. Direct deposits are completely confidential and best of all, they never get lost. Your money is automatically deposited into your account on time and you are issued a payment summary of your deposit that looks similar to your check stub. We strongly encourage you to take advantage of this service by contacting the Retirement Office today at 213-367-1715.
