

WATER AND POWER EMPLOYEES' RETIREMENT PLAN

Retirement Plan Office

Date: August 22, 2025

Annual Member Statement

The Annual Member Statements (AMS) for the period ending June 30, 2025, is now available on the Retirement Information System (RIS). All active Plan members with network access can view/print their AMS through RIS, which is available on the Retirement Website at <https://retirement.ladwp.com>.

The AMS provides an annual accounting of what you have on deposit with the Retirement Plan at fiscal year-end; however, RIS provides up-to-date information after each payroll closing with your most current account balances, as well as other features such as viewing your Beneficiary Designation, and generating retirement or Additional Annuity estimates.

If you do not have access to RIS, please call the Membership Section at Ext. 71695 to have a printed copy of your AMS mailed to your home address on file with the Department.
