

WATER AND POWER EMPLOYEES' RETIREMENT PLAN

Retirement Plan Office

Date: September 1, 2026

Annual Member Statement

The Annual Member Statements (AMS) of your funds on deposit with the Water and Power Retirement Plan for the period ending June 30, 2026, is now available on the Retirement Information System (RIS). All active Plan members with network access can view/print their AMS through RIS, which is available on the Retirement Website at <https://retirement.ladwp.com>.

While you are in the system, check out the other functionalities, like your up-to-date account balance as of the payroll closing, your beneficiary designation, and the ability to generate estimates.

If you do not have access to RIS, please call the Membership Section at Ext. 71695 to have a printed copy of your AMS mailed to your home address on file with the Department.
